Sunday and Wednesday hikes

Most hikes take place in the Magaliesberg. Sunday and Wednesday hikes starting times will be found in the schedule available on our website and the duration of the Sunday hikes is typically 7 hours while Wednesdays are 3 to 4 hours. On Sundays, short breaks are taken and also a lunch break. On Wednesday hikes, lunch is usually taken after the hike at the starting point. Swimming is often possible in rock pools and/or swimming pools at the resort. The hiking can be rough going as there are few paths and the terrain is often rocky, thorny and steep. Therefore, first time hikers with the JHC are requested to hike with the level 1 group in order to assess their current hiking fitness. Temperatures in the Magaliesberg are generally higher than on the Reef, and heat exhaustion due to dehydration is a very real possibility. Sudden thunderstorms and drops in temperatures can also occur.

In the interests of your group and your own well-being, and on the basis of experience gained on club hikes, you are urged to:

- 1. Kindly have your medical aid card or details with you at all times.
- 2. Carry AT LEAST 2 litres of water; drink <u>frequently</u> during the day.
- 3. Wear suitable clothing and an effective sun hat. Consider the use of high factor sun cream.
- 4. Carry clothing to counter the elements.
- 5. Wear strong, suitable footwear, preferably designed to support the ankle.
- 6. Know who your leader is, and follow him/her. DO NOT leave the group without the leader's permission
- 7. Carry a whistle to alert your fellow hikers in case you become separated from the group.
- 8. Walk with care to prevent injury.
